America, Local 568M Bargaining Agreement

Dear Mr. DeArcos:

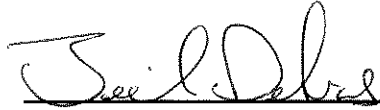

This letter confirms that the collective bargaining agreement between the Printing, Packaging and Production Workers Union of North America, Local 568M (formerly Graphic Communication International Union) and the University of Illinois shall be automatically renewed for another two (2) years pursuant to Article 19, Section 1 of the Agreement. Therefore, the current terms and conditions contained within the agreement shall remain in effect through August 16, 2025. However, the parties agree that wages for positions covered under this Agreement for the 2023-2024 and 2024-2025 academic years shall be increased by the percentage announced under the campus salary program for the corresponding academic year, if a campus salary program is offered. The parties also agree that bargaining unit members who choose to purchase parking will pay the same rates that are offered to other University employees as part of the University's general parking fee rate structure.

Sincerely,
